

# INFO DUMPING WITH STYLE

While Reading,  
Ask Yourself:

What information is learned  
in this section?

How does the information  
connect to the characters?

How does the information  
color the characters? What  
does it show about them?

What is still unknown in this  
section? How does it affect  
your enjoyment?

Is there information that is  
learned quietly? If so, how?
